Quarter 1 Newsletter Oct, Nov, Dec 2013

Vice Presidents Corner

Hello LBSC Members,
Welcome to the new Vice President's corner of the newsletter. This is my first year as Vice President of the Linwood Bay Sportsman's Club and so far it has been a lot of fun. I have had the pleasure of meeting a lot of our seasoned members and have had the opportunity to meet a lot of our new members joining our club. I have always thought that shooters are some of the friendliest people you can meet and our club members have proven that.

We have been focusing on some renovations for our Linwood site and things have been moving along very smooth. The beginning of September a group of us got together to paint the indoor range. If you have not seen it yet you need to pack up your range bag and head over to the club to check it out. I would like to thank Dan Beebe and his son DJ, Jean Broucek, Ken MacConnell, Bryan Schultz and his daughters Hannah and Madison, Ron Stempowski, John Thayer, my wife Heidi, my daughter Lexi and my wife's friend Karen for coming out, showing your support for your club and helping get the indoor range looking as great as it does.

We have also added a new security camera system in the indoor range and

club house to improve the safety and security of our club. I would like to thank Ben Trahan and Tom Burzyck for taking time out of their busy schedules to install that. We will also be adding cameras outside of the club in the near future.

Our long range committee has a list of great ideas to keep improving our club, so keep an eye out for future improvements and renovations. I hope everyone has a happy Thanksgiving and good luck to all of our deer hunters this season.

Sincerely,
Steve Hockman,
LBSC Vice President

Club Purpose

The Linwood-Bay Sportsman's Club, a non-profit organization, was established in 1950, with the purpose of encouraging organized and safe firearm shooting. We are dedicated to developing and maintaining the essentials of good sportsmanship... honesty, good fellowship, self-discipline, team play and self-reliance.

Be sure to visit our website at:
