**TREASURER'S TROVE**

Cameras and Rules

Yes, we now have indoor cameras (outdoor cameras will be installed in the spring). Yes, they work. And, yes, they are monitored. As I have been watching the cameras, it has made me realize that we need a few reminders about the rules for using the indoor range.

- First, everyone entering the indoor range must sign the registry (legibly) **before** they enter the range; this includes all members and guests. When you & guests sign the register, you are stating that you have read, understand, and agree to all LBSC regulations and to hold-harmless LBSC and its members of any and all injuries occurred while on the range.
- Second, all range fees must be paid **before** entering the range. Current fees are \$5 per member and \$10 for each guest – even if you pay for your guests, they still must sign the registry.
- In an effort to encourage young ones to enjoy the shooting sports as much as we do, anyone under 18 shoots for free in the indoor range – most disciplines will also allow those under 18 to shoot for free (please talk to the individual director for each discipline)

- Third, the member's name needs to be written on the money envelope.
- Please, do not prop the range door open – I have seen people walk into the range without signing in and without using their card.
- Finally, please make sure when you leave that you have turned off all the lights, turned down the heat, and locked the door.

Remember, this is your club! Please try to keep cost down (lights & heat), and report any misuse of club property to any board member as soon as possible. Contact any board member if you have any questions or concerns about anything happening with your club. If you have time, consider coming to a club meeting, most are short, about 1 hour, and giving your input directly to the board.

Thank you for taking care of your club,

Tom Burzyck, LBSC Treasurer

## **Billiards** **Anyone???**

In its efforts to make the club more of a  
social atmosphere, The Linwood-Bay

the purchase of a billiards table. The  
Table has been purchased and delivered  
to the club house in Linwood. The  
Billiards table is for members and their  
guests only. The table is free to use, and  
the sticks and balls were donated by  
members. If you have any billiards items  
to donate please just drop them off at the  
club. Please do not use the table to stage
