Quarter 4 July, August, September

V.P. Sights

The second quarter of our year is over, the summer is nearing an end, and school supplies are even out in the stores now. Time really does slip away when you are busy and things at LBSC have been busy.

IDPA - The 9th Great Lakes Regional is in the books and was once again a great success. This year we brought on many workers from all over the world to help. No really, all over the world. We had people from Canada, Italy, Lithuania, and several states in the US, as well as from other clubs in Michigan that came to help out. The Michigan State Match is being hosted by our club once again, and will take place the third weekend of August. The number of shooters is already at 190 at the time this article is being written. The club is still holding defensive pistol practices on Wednesday night's beginning at 6:30. As is the case most summers, the numbers are low right now, so if you have been thinking about trying it, now is a great time.

3 Gun - Mike and Shaun put on a great match in June and had several people from downstate take part. They had good feedback and those guys that traveled here said they will come again, and

Bring friends. If you are interested in getting involved in 3 Gun, reach out to Mike or Shaun for more info. They have another great match planned for August 9th. Registration is available by clicking the link on our website.

Shotgun - The shotgun crew is here on Tuesday nights and doing a great job. Right now, they say their numbers are up from this time last year. They are excited to have some new shooters coming out to take part. If you are interested, but need more info, make sure to look up Jim B on the website and get in touch with him. I heard a rumor that he might even be able to get there a little early at times, if you reach out to him in advance, and he can give some pointers and a little extra instruction if you want it.

Big Bore/Rifle - These guys are going strong and running several matches at the Munger facility. Want to know more about the rifle matches, reach out to Scott or Larry to find out more.

Linwood Bay Sportsman's Club around the country - Our club is being represented around the country in different ways. We have some of the rifle shooters heading out to Camp Perry. In June several members traveled to shoot IDPA at the Carolina Cup. In September, we have a large group going to Ohio to shoot the Ohio State Match. In October, several people are going to travel to Kentuckiana (well, Indiana on the Kentucky border) to shoot the Kentuckiana Kolonel. Good luck to all. If you do well at these events, or if you have another event you would like recognized, let me know.

(V.P. Sights Continued from Page 1)

If you have pictures, share them with us and we might be able to put something on the website or next newsletter.

Eagle Scout Project completed - DJ Beebe has completed his Eagle Scout project which included painting the small range, building some Bianchi barricades, and doing some painting on the pavilion outside. Thank you DJ for all your hard work for our club, we appreciate it.

Project Appleseed - Once again, our club is hosting a Project Appleseed at the Munger facility. Registration is full, and the exciting thing is, I think it is mostly kids that filled the spots. It is great to see kids taking part in the shooting sports.

Website/Facebook/Twitter - It is an electronic age and LBSC is trying to keep up with help from Shaun Crawford, our website director. Don't forget to use these resources for information about your club.

Be Safe

V.P. Dave Sies

Looking for Volunteers at LBSC **Linwood range**

The Linwood range will be getting a new tiled floor. Anyone wanting to Help out with this project please contact President Steve Hockman at Shockman996@yahoo.com this project needs to get done fast so we can open the range back up ASAP. Also New Lighting was installed in the small Range, and the Large Range will be getting new Lighting as well. Anyone wanting to help out with the Lighting contact Ken MacConnell 989-326-0541
