Treasurers Trove

Boy, I love this club. We have great people here and we are continuously working to improve our facilities. Of course, everything your club does takes money, from heat to property taxes to the new lights we've installed in both indoor ranges. A couple other improvements to come soon in the large indoor range are a new floor and improved ventilation. But, I'm really writing as the treasurer, and if you know me, you know I hate to spend money, but I hate even more to let easy money pass us by. We have a great opportunity for easy money that too many don't know about. That big secret is NRA membership. NRA membership comes up as a question every few years and no matter what side of the argument you're on, we are a 100% NRA membership club. This is where the easy money comes in. Please, please, please renew your NRA membership through your club. It takes a little more effort to renew through the club as you'll need to get with one of the club officers, any one of us can sign you up. I know, you're thinking that it'll cost you more too, the

NRA is always sending e-mails and renewals with special sales and discounts if you renew NOW! But, what they don't tell you is that the sale prices they keep sending out are the same as the renewal prices that the club has every day. 1 year: \$35, 3 year: \$85, 5 year: \$125. In addition, if you really don't want to get involved with the NRA, aren't interested in any of the magazines, then for only \$10 a year you can become an associate member. So, how does this benefit your club? Every time someone signs up or renews through our club, the NRA sends us a check. It's really that easy for us to bring in hundreds of additional dollars. Please, check the club calendar, come in to an orientation, a club meeting, or meet up with any officer, or contact them by email. Finally, as I always tell people, your club's finances are not a secret, if you ever want to take a closer look, just let me know. Or better yet, join the audit committee and really go in depth.

Fraternally yours,
Tom Burzyck
Treasurer, LBSC
