Quarter 2 Jan, Feb, March

**Presidents Report**  
**LBSC President Steve Hockman**

I have to admit, I cannot believe how fast this year has flown by. It feels like just a few days ago we were getting ready for the 2014 Great Lakes Regional IDPA Match and here we are already preparing for the match this year. This year will be the 10th Annual Great Lakes Regional and it is amazing the match that Gary Cuttitta and Dave Alexander have created. I had the chance to travel to quite a few matches this last year and everywhere I went I was amazed at how many shooters new all about the GLR and all the positive things they had to say about it, from great shirts, gorgeous trophies and a fun, challenging match. Gary and Dave's creation has definitely become a staple in the IDPA community. Congratulations guys on such an amazing accomplishment, I cannot wait to see what you have in store for us this year. Clear your calendar for May 15 - May 17 this year, I look forward to seeing everyone out there.

This year we had a lot of club renovations planned for the Linwood Indoor Range and we are still working

our way down the list. We were able to update all of the lighting in the large range and if you have not seen it yet you will not believe how bright it is in there. DJ Beebe and his scout troop donated time to the club to paint the indoor range, build some new IDPA barricades and DJ himself built a beautiful picnic table that you can see underneath the canopy outside. That same canopy received a well needed new roof and the framing was repaired. We are still working on the ventilation project, which should be completed in the very near future and after that project is complete we will be putting in the new flooring. It has taken longer than anticipated, but so far has been well worth the wait.

This was also a sad year for the LBSC. We lost a very dear friend and member, Liz Schreur. Liz was very active in our club, she was on the board of directors as well as head of the education committee. Liz and her husband Al have been very involved in many firearm classes, including hunters safety and cpl. Liz's untimely passing will be a great loss to our club and the firearm community. We are planning a benefit dinner for Liz and will be forming a committee at the annual meeting. If anyone would like to be involved in this, please contact any of the LBSC board members and we will add you to the committee.

Sincerely,  
Steve Hockman  
LBSC - President

**Looking for Volunteers at LBSC**  
**Linwood range**

The Linwood range will be getting a new tiled floor. Anyone wanting to Help out with this project please contact President Steve Hockman at [Shockman996@yahoo.com](mailto:Shockman996@yahoo.com) this project needs to get done fast so we can open the range back up or contact Ken MaConnell 989-326-0541
